GENERAL INSTRUCTIONS and PREPATORY NOTES				
1/	Please review this specification, the reference drawings and schedules and contact me as soon as possible with any issues or questions.			
2/	This specification has separate sections for each of the partitions to be installed: Section 2 for the partition designated for the Downstairs Bathroom (Ground Floor), and Section 3 for the partition designated for the Shower Room (First Floor).			
3/	Important scheduling note for coordination with the flooring contractors: Both partitions must be installed after the vinyl floors in both bathrooms have been installed.			
4/	Please carry out all work with appropriate care taken so that no damage is inflicted on the newly installed floors.			
5/	No substitutions are to be made unless agreed upon ahead of time.			
6/	The specific manufacturer's instructions are to be followed in each case.			
7/	As much as possible, please leave the work areas in a tidy fashion at the end of each day. All rubbish is to be promptly removed from the site.
